Announcements

Part C - Paco

Paco shared information from the KS Infant/Toddler Services Data Report.

Debbie Mai, Alexia Foster and Paco had a meeting with Dr. Sanchez on making presentations to the medical community. He gave us tips on what information to share and agreed to help arrange meeting with some pediatric and family practices. Alexia Foster and Michelle Eastman presented to the Wesley Pediatrics Ambulatory meeting on September 6th. There were 26 residents, doctors and nurses in attendance. Alexia gave them a new Physician Fax Referral Form. We have already received 3 of referrals on this form.

The Early Childhood Summit on Transitions will be Sept. 28th in Newton. The session is now full and won't take any more enrollment. School Districts, Paco, Cayla and Early Head Start are all enrolled for the sessions.

ITS will have an inservice on Sept 26th. We will send our social workers to the Home Visitation training on Safe Slumber that morning.

We just got word from KITS that we will get \$2,400 for community planning/training around Primary Coaching. We will be doing something with the SCECCC members but don't have any plans at this time.

December full Council ideas -
